HOW TO ANSWER THIS QUESTIONNAIRE

This is not a test.
However, it is important that you answer all the questions. The answers you give will help dentists find ways of improving oral health of young people in Uganda.

Read all instructions carefully and answer each question as best as you can. Together we will read each question carefully; you will then write your answer before we go on to the next question. Please answer all the questions as honestly as possible.

If you do not understand the instructions or are confused about a particular question, raise your hand and the supervisor will come and assist you.

The information you provide will be treated confidentially and used for statistical purposes only. No participant will be identified with the information he/she has given.
