

# Access to source code repositories for the Master Thesis of Øystein Malt

The source code for the client and server applications are stored in GIT repositories at <http://bitbucket.org>.

The client application's source code can be accessed at: [https://bitbucket.org/oysmal/x3dom\\_angular/src](https://bitbucket.org/oysmal/x3dom_angular/src)

The server application's source code can be accessed at: [https://bitbucket.org/oysmal/x3dom\\_server/src](https://bitbucket.org/oysmal/x3dom_server/src)
