END OF ACASI-part

Thanks a lot for responding to these questions. Before we finish the interview, I would like to update your contact information.

To all:

If we don't find you next time we come to do interviews, who do you think can assist us in finding you?

Can you give us the name of your best friend?

55A) We need to make sure we have updated contact information. Which mobile phone number should we use if we need to call you in the future? _____

B) Whose number is this? _____

56A) Can you give us 2 other numbers that we can reach you on in case we cannot reach you on this number?

Yes-> B

Don't know other phone numbers -> F

B) Provide first number _____

C) Whose number is this? _____

D) Provide second number _____

E) Whose number is this? _____

56. F If the girl is interviewed at home: After you and I have finished talking, may I ask your guardians for 2 alternative phone numbers we may try if we cannot get through on the numbers we have if we need to call you?

Yes

No

This is the end of the interview, thank you for taking time to answer my questions. We are very grateful. Your participation is extremely important for this project because it gives us an opportunity to understand how girls who receive the different support packages are faring.

For groups II and III:

Let me use the opportunity to provide some information about payment of school fees in 2018: We will not pay more in 2018 than we did in 2017. If you transfer, we will not be able to pay your school fees unless you inform us of where you have shifted to. Please call the Trial supervisor.

For all

Do you have any questions you may want to ask me before we finish the interview?

For group I:

As an appreciation of your collaboration, we would like to give you K50 as compensation for your time.

For groups II and III:

As an appreciation of your participation in this interview, we will give you a small compensation in term 3 of 2018. We will give you K40 if we have interviewed you for the three rounds since the end of 2017, i.e. the last round that was done in 2017 and the two that will be done in 2018. If we have interviewed you twice of the three times, you will get K20. If we have interviewed you once of the three times, you will get K10,

For all

Thank you very much again! We will contact you again in 4-6 months from now for another session of interview.

If yes to 55A, end interview here

If the girl is interviewed at home: Now I would like to ask your guardians for some additional phone numbers

Thank you very much for allowing us to speak to your daughter. I would like to find out whether you are able to give us 2 phone numbers that we can reach your daughter on in case we cannot find her when we visit next time in 4-6 months?

- A) Provide first number _____
- B) Whose number is this? _____
- C) Provide second number _____
- D) Whose number is this? _____

Thank you so much! We will come to interview your daughter again in 4-6 months. Thanks a lot for your assistance!

If adverse events are reported, the research assistant should let the data manager know so that he can consider whether there is a need for the project to take action because of the adverse events reported.

Take a picture together with the girl and ask her to provide a thumb print and a signature on your list to prove that you interviewed her.
