

Errata

Paper IV

A.

Page 24 The legend to figure 1 is missing: “Figure 1 Outline of the experimental design”. This resulted in mislabelling of the rest of the figures, which are corrected as follow:

The original “Figure 1” is corrected to “Figure 2”

The original “Figure 2” is corrected to “Figure 3”

The original “Figure 3” is corrected to “Figure 4”

Page 25 The original “Figure 4” is corrected to “Figure 5”

The original “Figure 5” is corrected to “Figure 6”

The original legend to figure 6 is removed

B.

Page 24 The sentence “(G) Representative immunoblots. N= CTR, n= CMS, n= SD, n= CMS+SD” in the corrected Figure 3 legend is corrected to “(G) Representative immunoblots”.

C.

Page 24-25 The sentence “Significantly different from saline-treated control” in the corrected Figure 3, 4, 5 and 6 is removed.
