Errata

1. Page 65: 4.5. Study 5

The sentence 'In our patient series, identifying 18 patients....in the tumour' should read: 'In our patient series, identifying 33 patients.... in the tumour'

2. Article 5 (reprinted with permission); Figure legends; Figure 4A

This currently reads: Pictures representative of weak immunohistochemical stathmin staining (top) and strong (high or pathologic) stathmin staining (bottom) in endometrial carcinoma'. It should read: Pictures representative of weak immunohistochemical stathmin staining (left) and strong (high or pathologic) stathmin staining (right) in endometrial carcinoma'.
