F: ATTITUDES

We are now moving to the second part of the questionnaire where we will ask questions about your attitudes regarding schooling, contraceptives, marriage and childbearing.

I will ask you some questions about your opinion regarding schooling. I am interested in your opinion, and no answers are more correct than others. I am going to read to you a series of statements regarding girls and schooling, sexual issues, marriage and childbearing.

Q25 Do you think girls have the same chances as boys to find a job if they finish grade 9.

- Yes
- No
- Don't Know

Q26 Do you think <output value="/data/preloads_group/prev_girl_name"/> is ready to learn about sexual and reproductive issues (abstinence, controlling sexual desires, condoms, contraceptives).

- Yes
- No
- Don't Know

Q27 Do you feel comfortable talking to <output value="/data/preloads_group/prev_girl_name"/> about romantic relationships and sexual issues?

- Yes
- No
- Don't Know

Q28 Do you think a grade 8 or 9 girl who is sexually active but not married should be encouraged to use contraceptives, for example injections/pills or condoms.

- Yes

- No
- Don't Know

Q30 Do you think it is harmful for a girl who has reached puberty and who is sexually active but not married to use contraceptives, for example injections/pills.

- Yes
- No
- Don't Know

Now I have some questions regarding your opinions about when girls should get married.

Q31a. What do you think are the three most important characteristics of a girl who should be encouraged to get married?

Tick the first three responses. If they only give 1 or 2 responses, ask for more characteristics.

- out-of-school
- pregnant or having a child
- age
- stature like a grown woman
- reached puberty
- economically vulnerable
- economically stable
- orphan
- other

Q31b. Other, specify

Q32 In your opinion, what is the best age for a girl to get married?

Q33 Do you think a girl who has reached puberty and who is out of school should be encouraged to get married

- Yes
- No
- Don't Know

Then I would like to get your opinion on when it is good for a young girl to have a child.

34a. What do you think are the three most important characteristics of a girl who can benefit from having a child? The benefits could be increased respect or social status.

Tick the first three responses. If they only give 1 or 2 responses, ask for more characteristics.

- out-of-school
- married
- age
- stature like a grown woman
- reached puberty
- economically vulnerable
- economically stable
- orphan
- other

Q34b. Other, specify

Q35 Do you think unmarried girls who have reached puberty and who have a child are treated with more respect than girls of the same age who do not have a child.

- No
- Don't Know

Q36 Do you think unmarried girls who have reached puberty and who have a child are a significant economic burden to their family.

- Yes
- No
- Don't Know

I will now ask you questions about health insurance/medical scheme.

Health insurance (Medical scheme) means a household contributes a certain amount of money for healthcare each month even when there is no one who is sick so that when any member gets sick he/she can receive free healthcare services simply by showing an insurance card without paying anything at the facility. It may help to protect the household from paying large amounts of money that at times may force the household to sell properties in the event of a serious illness.

In relation to this, I have some questions about health insurance.

Q37a. Does your household currently make monthly contributions to a health insurance/medical scheme?

- Yes
- No
- Don't Know

Q37b. How much do you pay per year for the medical scheme?

Enter 999 if does not know

Q38. If you were to contribute a certain amount of money for health insurance each month to ensure that all members of your household receive free healthcare services, how much would you be willing to contribute per month?

If the respondent does not know, enter 99

Q39 Have you or any member of your household ever attended any RISE meetings?

- Yes
- No
- I don't know

Q40 How many RISE meetings have you attended in the last 6 months?

If the respondent does not remember, enter 99
